MAIN EVENT

The Fabulous Kangaroos, Al Costello and Roy Heffernan were relieved from their crown by Big Daddy Lipscomb, star football player of the world champion Baltimore Colts and his partner E. Torres.

The referee Al Stecher disqualified The Kangaroos on the match. The Kangaroos still claim the title on the basis that the title can't change hands on a disqualification.

Which as a result the Kangaroos as a remark are willing to meet and a match in a winner take all and no time limit.

INTRODUCING THE GREAT LEGS WILLSON

Born in Montreal, Canada and tipping the scales at 235, he stands 5'11 inches and has been a professional wrestler for over 20 years.

This is one wrestler that can put on any hold that you can think of on anyone.

He can also slip out of some of the most difficult holds, that some others can't break or work their way out. Willson's favorite hold is called the Airplane Spin. He picks up his opponent over his shoulders and spins him around for 3 or 4 minutes. Then he slams him on the mat for the count to win the match.

Willson is a great football fan and tries to make every game of the season when he can.

He also likes roller skating.

1862 CINCO de MAYO 1960

ESTIMADOS LECTORES:

Hoy hace 98 años que el pueblo Mexicano, dentro y fuera del regazo de la Patria Mexicana mantiene vivo el recuerdo de la gloriosa jornada del 5 de Mayo de 1862, como un recuerdo de gratitud.

Compatriotas:

En el culto en que los pueblos libres, rinden a sus grandes heroes muertos, a sus gloriosos redentores, consagrados por el heroismo, y fuertes en el martirio, que en las conquistas por la libertad, que en las sublimes cruzadas de las reinvindicaciones, a pesar de todas las vicisitudes sacrificando aun mas su propia existencia, luchando con el mismo entusiasmo y con la misma constancia, para legar a su pueblo una patria libre y para realizar el divino ensueño del imperio de la justicia y el derecho.

Al recordar en este dia en suelo extranjero la memorable fecha del 5 de Mayo de 1862 la Patria Mexicana esta con nosotros envuelta en los radiantes fulgores de aquel sol de guerra trofeo sangriento de nuestro pasado gloriosa, tratando de impedir el desaliento de nuestro animo bravo y fuerte.

Nosotros que las frases de amor y de entusiasmo, de cariño y de ternura, para la Madre Patria Mexicana, se elevan en este dia como una oracion en una celeste inspiracion.

El entusiasmo primero, el sentimiento en seguida, y la razon al fin han sugerido al hombre el culto de los muertos, el respeto al recuerdo y a la veneracion de los grandes hombres, y de los grandes hechos que conmemora la historia; la frente de los pueblos agradecidos se doblega siempre respectuasamente ante tode lo que se extingue si fue luminoso. En esta gloriosa fecha recordamos la memoria del valiente General don Ignacio Zaragosa, que en la historica ciudad de Puebla, con actitud extraordinaria fortifico los cerros de Lareto y Guadalupe, y con menos de 4000 hombres espero el ejercito invasor.

El 5 de Mayo de 1862, los franceses disponian el ataque, seguros de obtener una victoria. A medio dia empezo el combate. Tres veces intento el enemigo tomar por asalto las poseciones de nuestro valiente heroe General; don Ignacio Zaragosa.

Pero las tres veces fueron rechazados por los heroicos soldados Mexicanos. Desesperado Laurences no podia creer lo que veia, no podia explicarse que aquel numero tan reducido de hombres lo hiciera retroceder, una y otro vez; pero asi fue, y a las cuatro de la tarde en medio de fuertes aguaceros que aumentaban mas la confusion de Laurences y sus tropas, se retiraron, dejando en el campo de batalla 513, soldados, entre muertos y heridos.

El Pabellon Nacional, tremolo a los vientos de la victoria; mientras las banderas francesas, avergonzadas se alejaron por los llanos, y barrancas al aproximarse las sombras de la noche. Alli en la historica ciudad de Puebla, la suerte corono de gloria la frente de Zaragosa y sus valientes soldados.

Will Chessman finally pass through the threshold of death? If so, what effect will Chessman have on the present day society? At the time of this writing, Chessman's death is but a few hours away and it seems a certainty that his execution will be carried out as planned; it is my opinion that he will be executed as scheduled.

His case, however, will not end on Monday, May 2 at 10:00 A.M. but will merely change form into the so called living dead. His case will probably live for many years until the people decide to kill the death penalty.

I am not a religious person but let me say this about the Chessman case or any other case where human life is to be extinguished. GOD, supposedly, gave the gift of life to man. Since man himself can not give life it is only proper that man should not be given the power to take a life. In Chessman's case it is a question of valid authority to take a life not to much a question of quilt. People make the mistake of thinking that because many people before Chessman were executed it follows that Chessman also should be executed. This thinking is in my estimation without merit since one should know that many mistakes do not justify another. Realizing a mistake is the mark of an intelligent being and an admission and correction of a mistake is the mark of a well adjusted personality. The price of justice is high and to many can not afford. I sincerely hope that in the near future the administration of justice may be served without taking away that which is GOD GIVEN!!!!!!!!!

No, CHESSMAN is NOT my brother.....

Look for the Genie booth at the Mother's Day affair on Sunday May the 8th at Trader Lew's Picnic Grounds. It will probably have the best prize for your mother on that day.

The Bachelors and Club Elite will host the Tardiada-Picnic at the Trader Lew's Picnic Grounds.

It will feature much of the same program which was delivered on Easter Sunday. At this occasion, however, other clubs will participate by having concession of food or other activity that they can think about that will add to the enjoyment of those present. I understand Club San Felipe will sell tamales there.

The UCC League which was started a couple of years ago for the purpose of inter-club participation should make more of an effort to co-operate now with the newly formed Latin-American Council Athletic League. The league will restrict recruiting as much as possible. Those club members that have given their place in the club team for an outsider will not be pushed aside quite so easily.

In the future, the league hopes to provide trained umpires and referees for most of its games. Some persons have also expressed their desire for a blowing league and there is no reason that we can not have it in the near future providing the proper backing is instigated.

IT'S TRUE:

A reporter on a rural paper owned by a fussy, old lady wrote up an auto accident. In the account, he mentioned a woman in one of the cars had her breasts lacerated.

The prim owner of the paper demanded he delete the word breasts- she regarded the word as indelicate.

The reporter did as ordered: This is the way he rewrote the phrase: "The woman had her (.) (.) lacerated!!!!!

A warning that mussels are poisonous at this time of year and are under State Quarantine was issued by W. Elwyn Turner, M.D., Director of the Santa Clara County Health Department.

"Laboratory findings show that mussels are highly toxic during the quarantine period from May 1 to October 31 due to the ingestion of a minute organism which is present in ocean waters off California in the summer and early autumn months."

The poison is similar to strychnine and can cause death to persons eating toxic shellfish.

The quarantine is in effect along the entire California coastal shore and includes San Francisco Bay. Mussels may be used for bait during the ban, but must be broken open and placed in a container plainly marked in big print, 'Mussels may Contain Poison. Unfit for Human Food.'

Santa Clara County residents are also warned to be cautious in the preparation of clams for summer meals during this period. Clams should be cleaned and washed thoroughly before cooking and all dark parts where the poison concentrates during the May-October period, should be discarded.

ONLY THE WHITE MEAT SHOULD BE EATEN.

In addition, clams should be taken from areas from from sewage contamination.

"It's No Secret"

Had the pleasure of meeting Jose Antonio Villareal, author of the book POCHO at a recent party held in his honor at the horseman's association hall. His many friends relatives and fans turned out to make his evening most enjoyable. The food was prepared by his sister Efie. They had a trio, and a terrific mariachi. Mr. Villareal informed me that he has two more books almost ready for publication. In the meantime for good reading try POCHO, I'm sure you'll enjoy it. He has a down to earth Steinbeck quality to his writings.

By the time this issue is published the fight between Louie Molina and Willie Morton will have taken place. In any case as I write this I'm keeping my fingers crossed for LOUIE MOLINA.

Club San Felipe busy planning their June 10th anniversary Formal. I hear they are considering Chico Ochoa, Rene Touzet, and Sal Guerrero to provide the music. It will be at the Hotel St. Claire. Plan to attend!

Sorry to hear that the lovely Eleanor Solarez is having trouble with a dislocated back seems she was trying to play Tarzan and lift a T.V. set. All kidding aside, we miss you and wish you a speedy recovery. Magdalena Martinez became Mrs. Lupe Carrillo in a ceremony at the Holy Family Church on May 1st. My sincerest best wishes to two of the finest people I know.

Norma Minjarez making one of her rare appearances at the presentation of Rene Touzet. She looked like a doll, dressed in a terrific white dress and a real smart hairdo.

By the way Rene Touzet was everything everyone expected, the turnout was terrific, and he sounded better than ever. I'm all for a repeat performance Mr. Davilla. San Jose appreciates good entertainment. So how about it.....

Villareal's **POCHO** *outstanding book*

JOSE ANTONIO VILLAREAL, author of POCHO, is a man who undoubtedly drew from his own personal experiences in turning out his first novel.

Nine years ago, as an undergraduate at San Jose State College, Mr. Villareal began to unfold the story of a Mexican-American youth growing up in the lush and fertile Santa Clara Valley.

After graduation from San Jose High School, Mr. Villareal served in the United States Navy for 44 mo. After his discharge in 1946 he attended SJS for awhile and then transferred to the University of California where he earned a Bachelor of Arts degree in English. After that came postgraduate work at UCLA and at his alma mater.

POCHO is his first book and the author has dedicated it to his father, 70 year old Jose Heladio Villareal and to the memory of his mother Felicitaz.

The 35 year old writer is married to Mrs. Barbara Villareal, formerly of New York, and after seven years of marriage they have three children; Jan 5 years old, Kelly 4 years, and Caleb 1 year old, all born in Berkeley, California.

The Villareal family now resides at 18655 Montivino Road, Los Gatos.

BRIEF EXCERPTS FROM POCHO

..... He waited for the telephone call, and finally on the fourth day it came. "It's taken care of," he said.

"Thanks, man."

"I'll see you after the war, Richard. I'll be leaving for the Marines in the morning."

An unprovoked attack by pachucos upon a group of boys had put two youths in the hospital with broken limbs.

..... He spoke again before she could say another word. "He asked me if I liked to play with myself, and I said yes, and he was angry."

With his limited knowledge of English, the translation into Spanish was a literal one, and she did not fully understand this meaning.

"I could not say no, because it is true that I would rather be alone than with the Portuguese and the Spaniards. They always hit me, anyway, and make fun of me. Tell me, why should I play with the others if they do not like me?"

POCHO by Jose Antonio Villareal, Doubleday & Co.; 235 pp.; $3.95.

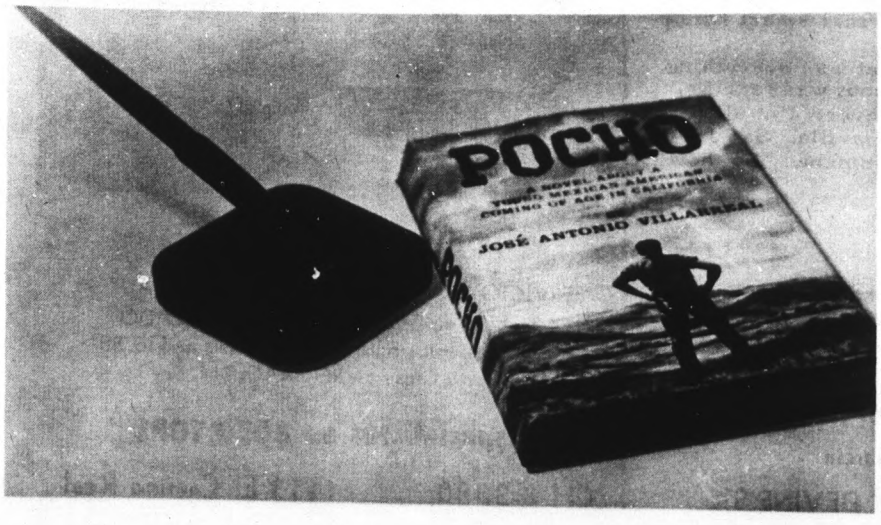

"Jose Antonio Villareal's POCHO is a novel which very vividly captures the true and too often saddening aspects of life among the early Mexican populace of the Santa Clara Valley.

It is an interesting, easily understandable book, and one which is almost certain to find for itself a niche in the hearts of all who have experienced firsthand the tedious rigors and sometimes seemingly senseless conflicts of agricultural labor, those who have known the pangs of hunger, and those who have suffered with the humiliating stigma of racial bigotry.

POCHO was written by a man who knows well and thoroughly understands the Mexican people, for he is one of us. It does not champion any cause nor does it advocate either mental or physical revolt against the Anglo-American way. Rather it strives to pinpoint the often incomprehensible frustrations of a young man torn between two cultures, the Mexican and the American.

From the first chapter depicting Juan Rubio's idolizing of the rebel Pancho Villa, the struggles of early childhood, pachuco fights, hunger marches to

Sacramento in the early 30's, through the incipient stages of unculminated love affairs, and ending with entry into the military service at the outbreak of war, POCHO is a moving, human, and interesting work. Villareal is an easily read author, a promising artist, and seems destined to place his name alongside John Steinbeck's as prime examples of American Literature at the grass roots level.

The author knows his subject well, and in POCHO he exploits it very well. Every Mexican should read it....."

Club Riviera

HI FANS!

First of all I would like to start off by offering my condolences to Esteban Duarte on the death of his beloved wife Patrocino Duarte.

After having attending so many parties in between issues I don't know how I'm writing this column. Of all the parties that I attended the one that I enjoyed the most was the one given in honor of Jose Villareal Jr.

In the following picture appear Eleanor Solarez, Jose Villareal Jr. and yours truly. It was truly a great pleasure of being photographed with a great novelist and such a lovely girl.

SPORTS:

Coming from behind to tie the score in the seventh inning Club Alegre pushed the winning run across in the top of the 12th to edge out Gilroy in an evenly matched game played at Gilroy on May 1st.

Club Riviera scores enough runs in the early part of the game to beat the Knights in a good game played at Columbus Park by a score of 6 to 4.

Congratulations to Louie Cedillo for being elected commissioner of the new league which has been formed.

I would like to announce that Club Riviera is having a fabulous dance May 29 at the SES Hall in Santa Clara.

At this time I would like to congratulate Mr. J. Hector Moreno for being elected Vice Chairman for the MAPA, Mexican-American Political Association.

In the following picture we have our president Friday Aguilera with our director of public relations Ruben Jacobo. I would like to point out the suit that Friday is wearing because to me it seems like it belongs to the untouchables back in the roaring 20's.

I would like to thank Dave Herrera for inviting me to the wonderful party.

While speaking of Dave Herrera, I would like to introduce David Joe Herrera Jr. who is two years old. I predict that some day he will be president of Club Riviera. So watch out Friday.

DOMINGO DE GLORIA es el dia en que se celebra el aniversario de la resurreccion de Jusus-Cristo o Jesucristo. A proposito de este nombre recuerdo el encontron que se dieron tres viajeros que habian estado mucho tiempo fuera de San Jose. Uno de ellos dijo: "Fijense, cuando llegue a Delhi, India se me acerco un señor y me dijo, Señor Charles de Gaulle, presidente de Francia, que anda haciendo por aqui."

"Eso no es nada," agrego uno de los otros viajeros. "Cuando estaba admirando las piramides en el Egipto alguien me toco la espalda y oi la voz de un señor que decia admirado: "Ike, cuanto gusto de verlo por aqui." Me confundio nada menos que con el Presidente de la gran Republica de los Estados Unidos de Norte America."

"Si Uds supieran la que me paso a mi," dijo el tercero. "A mi llegada a San Jose, mi ciudad natal, mi propia mujer me echo los brazos al cuello diciendome: "Jesucristo! Donde has andado todo este tiempo."

El caso es que todos los años el dia de Gloria lo uso para dos cosas: Primero para ver mujeres elegantemente vestidas salir de las Iglesias y la segunda para mirar flores. No se porque encuentro cierta afinidad entre ambas. Una mujer vestida con sencilla elegancia y gusto, su cabello y su sombrero ornado de flores y su blusa de lindo color con un motivo de delicia para el que las observe.

Observandolas uno concuerda con el celebre poeta Ruben Dario quien en su famosa Marcha Triunfal cantara: LAS BELLAS MUJERES APRESTAN CORONAS DE FLORES, Y BAJO LOS PORTICOS VENSE SUS ROSTROS DE ROSA; Y LA MAS HERMOSA SONRIE AL MAS FIERO DE LOS VENCEDORES.

Que bonita manera de decir en pocas palabras lo que uno que es solo un simple y misero mortal no puede decir en una pagina entera. Como dije antes las mire y admire a mi regalado gusto y me hice cruces pensando ingenuidad e ingeniosidad tuvo el CREADOR para hacer tan bonitas y distintas dentro de una perifera tan pequeña como es el rostro de una mujer. Por suerte ese Domingo no vi a ninguna con pantalones sucios, tal como todavia no he encontrado un hombre con faldas.

Cuando ya terminaron todos los servicios en las iglesias y los sitios de refrescos se llenaron de colores y de voces argentinas y yo me habia embutido dos sodas, resolvi continuar con la segunda parte de mi programa: Ir a visitar el Jardin de Rosas de San Jose.

Si hubieran consultado conmigo cuando se le dio el nombre de SAN JOSE a esta bellisima y simpatiqisima ciudad yo hubiera peleado por un nombre como CIUDAD DE LAS ROSAS, o SAN JOSE DE LAS ROSAS, o LAS ROSAS DE SAN JOSE.

En esta bendita ciudad no se necesita ser jardinero para cultivar las rosas mas preciosas de la tierra. La casa mas humilde ostenta rosas que en otros sitios se considerarian joyas de habilidad en cultivarlas. En realidad, San Jose entero es un jardin de rosas con casas y negocios como un mal necesario. Quizas si sera por esta causa que tan poca gente va a visitar el Jardin de Rosas.

Unicamente los forasteros y los recien venidos visitan el Jardin.

San Jose debiera copiar a Pasadena y organizar un festival anual de rosas. Seria un gran exito.

El dia de Gloria lo era tambien para el Jardin de Rosas. Muchos miles de rosas en todos sus periodos de florecimiento lucian sus colores. Las habia desde el debil botoncito hasta la rosa mas lozana con petalos que parecian levantarse a pedir guerra. Como es sabido la rosa es una flor muy orgullosa y muy esquiva. Se deja tocar solamente en sus petalos que parecen seda de la mas finisima. Ah, pero solo nos deja tocarle el rostro. Que si alguien sigue avanzando pronto se encuentra con una espina y sale sangrando.

Al poco rato que ya todos los escasos visitantes se habian retirado. Estaba yo solo. Empece a buscar en me imaginacion alguna poesia que cantase a la rosa. Al fin encontre la famosa poesia que aparece en el drama AMORES Y AMORIOS de los hermanos Alvarez Quinteros: ERA UN JARDIN SONRIENTE; ERA UNA TRANQUILA FUENTE DE CRISTAL; ERA A SU BORDE ASOMADA; UNA ROSA IMMACULADA DE UN ROSAL, Y ERA UN VIEJO JARDINERO QUE CUIDABA CON ESMERO DEL VERGEL Y ERA LA ROSA UN TESORO DE MAS QUILATES QUE EL ORO PARA EL.....

Posiblemente los hermanos Alvarez Quinteros al escribir esa poesia que canta a una sola rosa desprendida de su rosal se inspiraron en algun gran jardin de rosas como el que tenemos aqui en San Jose.

Era ya muy tarde cuando sali del jardin. Ver tanta belleza solitaria! Un sol de naciente primavera envuelto en una pletora de oro empezaba a deslizarse al otro lado de las montañas del Oeste. Habia pasado un dia muy agradable a muy poco costo.

TABBY PEREZ
The Knights

The United Club Council League's 1960 PLAYER OF THE YEAR is high-scoring forward BILL MOYERS of Club San Joaquin.

Big Bill led CSJ in every department of play during the season just concluded and it is conceivable that without the aggressive ex-Lincoln High ace, the All Stars might have wound up in the U.C.C. League cellar.

Moyers had all the moves required of an outstanding cager and is also a fine rebounder.

Bill scored over 18 points per game even though he was handicapped by teams ganging up on him, knowing that without Moyers' scoring touch, CSJ was dead.

Every player on our 1960 team was a possibility for Player of The Year honors.

Jump shooting ace Dan Ortiz, the runnerup for MVP accolades, played heads-up ball in every game on the Knights schedule and his 20 and 25 foot jumpers were a very important part of the Knights offensive.

Casa Mañana forward Larry Brady displayed a variety of shots which only Tabby Perez could match. Brady's effectiveness is hampered by his tendency to "showboat" when his team pulls a few points ahead.

Tabby Perez, Knights guard, was our Player of The Year in 1959 and might have made it again had not an arm injury incurred halfway through the season, cramped his point-producing skills.

Casa Mañana center Greg Rocha was one of the tallest men in the loop and seemed to play his best ball against the tougher clubs.

A SUMMARY OF THE 1960 SEASON

At the outset of league play late in January, The Knights were considered the top team in the circuit and they were installed as heavy favorites to go undefeated and take the conference championship.

The Knights chances looked even better as top-flight contender Casa Mañana suffered an embarrasing 33-32 upset loss to Club San Joaquin in the season opener.

The Knights took command of the loop at the first opportunity, besting a determined Club San Joaquin 56-49. Then they rolled over San Felipe and Del Mar, setting up the titanic struggle with Casa Manana.

The Mañana players, inspired, and determined to spring an upset over the team given the best chance of becoming the 1st undefeated team in UCC history, rose to the occasion and defeated the Knights.

Both teams finished in a tie for 1st in the First Half of play.

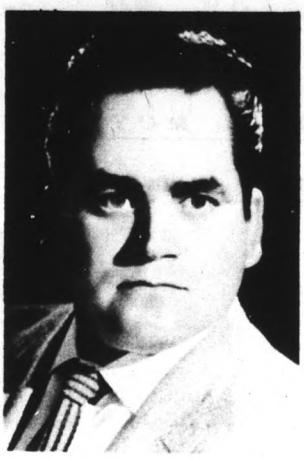

In the 2nd half of the season there were anxious moments for both teams. Each had to play to the hilt to turn back a Club Del Mar team which had nothing on paper, and on the court proved themselves a very hard to handle quintet.

Both C.M. and the Knights ran roughshod over San Felipe and CSJ, setting up another great battle in their second encounter of the year. By this stage of the season Casa Mañana had been strengthened with the addition of San Jose City College's high scoring guard Gerry Gilbert. Gilbert staged one of the great offensive shows in the loop's history, tallying 31 points in leading C.M. to a tight 71-70 triumph.

VICTORY MARKET SHADES C.S.J. 5-4

GILROY, Calif. .....April 24th. Club San Joaquin's previously unbeaten All Stars went down to their first loss of the '60 season on April 24th at Gilroy when coach John Vasquez's Victory Market nine turned in a come-from-behind 5-4 victory.

Alex Navarro slammed a three run homer to highlight the C.S.J. batting attack.

Immediately after the game, both teams were guests at a beer bust at the beautiful home of Mr. Vasquez, Victory Mkt. coach.

The fete was in reciprocation for a similar gesture of friendship which Club San Joaquin extended their southern Santa Clara County friends on their trip to San Jose on April 10th.

After the "party" the men of San Joaquin advanced on the Jalisco Bar up the road for a "nitecap."

It was a very looooooooong "game."

Angry Wife: "It doesn't take 12 hours to play a softball game!"
Husband: "Went into extra innings, darling!"

C.S.J. BEATS CASA MAÑANA 3-0

Ron Gonzales made his first start of the 1960 softball season a successful one, as usual, when he hurled 2 hit ball to stake CSJ to a 3-0 victory over Casa Manana.

Neither of the two teams were at full strength.

LOUIE MOLINA KNOCKS OUT MORTON!

Lou Molina knocked out Willie Morton with a hard right to the chin in the 2nd round of their bout on Tuesday, May 3rd to establish once and for all who is the top boxing prospect in the Garden City. Congratulations and give 'em all hell, Louie!

C.S.J. To Honor CAGE SQUADS, OFFICERS

Club San Joaquin will honor its 1960 Varsity and B Class basketball teams on May 21st at a dinner-dance at the Manor House.

Presentation of new officers; awarding of the Most Valuable Player trophy; appearance of Bob Toneff, All Pro defensive tackle of the Washington Redskins; the singing magic of Conrad Barrientos; and Rock N' Roll sensation Dave Gary & The Latineers, will highlight the evening for Club San Joaquin members and their guests.

FROM FILE THIRTEEN:

U.C.C. League representatives have voted the 1960 Basketball League SPORTSMANSHIP TROPHY to Club Del Mar. This column salutes their wise choice. Congratulations CLUB DEL MAR.

If you people up north are looking for the ENTERING KLAMATH INDIAN RESERVATION sign which disappeared some time ago, it's hanging over the front door of a rooming house at 9th & William St. in San Jose.

Johnny Zamora says it's going to be G & M time pretty soon. Maybe in September.

The Oakland AFL football team's name has been changed from Senors to Raid Hers.

We liked that bit in the S.F. rags about the lady who wrote in and said that if Chas. Harney wants to have a ballpark named after him (It has been suggested that Candlestick Park be changed to Harney Stadium) he should change HIS name to Charles Candlestick!!

A YEAR AGO TODAY.....

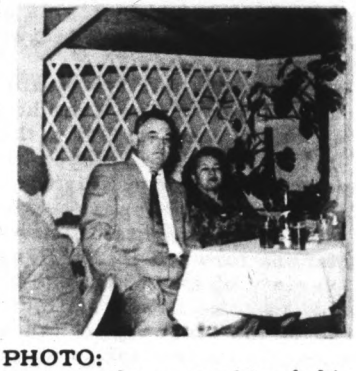

Gil Solarez & Anna Dominguez had the Party Of The Year in Santa Clara..... Tony Morelli was the current villian at Civic Auditorium on Wednesday nites.....Miss Eva Gamboa was queen of 5th of May..... Johnny Hernandez, Jr. retired from the ring after one pro fight..... Ron Gonzales pitched his 2nd no-hitter of the '59 season as CSJ bested Tuxedo Candy 2-0 at Backesto Park..... ..... Club San Felipe appeared on the scene. While we're on San Felipe, don't forget their FORMAL DANCE on June 10th at the St. Claire Hotel. BE THERE!!!!!!!

"Yeah, Casa Manana! What's the matter, afraid of them?"
"Hell No! We'll play the devil if you get a ballpark!!!!!"

Dear Mr. Sierra:

In your article of April 5, 1960 I was exceedingly disturbed about the statement expressing your opinion of ON THE BEACH. In theaters as elsewhere people must learn to know their places.

When a man goes to church and does not like the service nor understands the doctrine he does not label the doctrine as "Not Valid." When he goes to a classical concert and is bored by Beethoven, he does not scream to the conductor for a fox-trot solo into the Ninth symphony-- he goes to the nearest hall where a jazz band is at work. I plead for equally reasonable behavior for ON THE BEACH.

On The Beach is a highly symbolical demonstration, and we the people, are the protagonists. On The Beach is not for connoisseurs of Mickey Mouse literature, nor is it a divorce drama, or of the lanquors and lillies and raptures of the cinema, and it should not be altered as such. Also, even at the risk of a comprehensive insult against your unsupported generalization, I must add that the limitation of the audience to a serious, intelligent, and cultivated American means that ON THE BEACH must be regarded for the present as an exceptional movie for exceptional people. I know that many others share this interest and compunction, and that they would eagerly take some trouble to have it made clear.

Yours Truly,
